EXCEPTIONAL DESIGN FOR THE RESIDENTIAL TRADE

Since 1998, angela adams has provided impeccably designed, handcrafted area rugs and furniture for the trade.

OUR STORY

Based in Portland, Maine and founded by Maine native husband and wife design team Angela Adams and Sherwood Hamill, angela adams offers unique, handcrafted modern area rugs and furniture.

Since the beginning, each piece has been designed by hand by Angela and Sherwood and then made by hand, using traditional craftsmanship techniques. Our rugs are handmade by skilled artisans in India, and our furniture is handcrafted by master furniture makers in our Portland, Maine shop.

Founded in 1998 the company was an overnight sensation with critics and trade designers alike, providing heirloom-quality modern pieces for inspired spaces.

OUR OFFERING

angela adams area rug and furniture collections offer an assortment of customizable designs that are easy to merge with project narratives.

AREA RUGS

For immediate needs, our curated collection of Quick Ship pieces will be shipped to you within 72 hours from our warehouse.

We offer an extensive library of custom wool rug designs, made to-order in custom sizes, colors, and constructions.

FURNITURE

Each piece of furniture is handcrafted in our Portland, Maine shop and can be customized to meet the unique needs of your project. Using fine domestic hardwoods, signature finishes and custom hardware, individual pieces are built to order allowing for dimensional and finish variations.

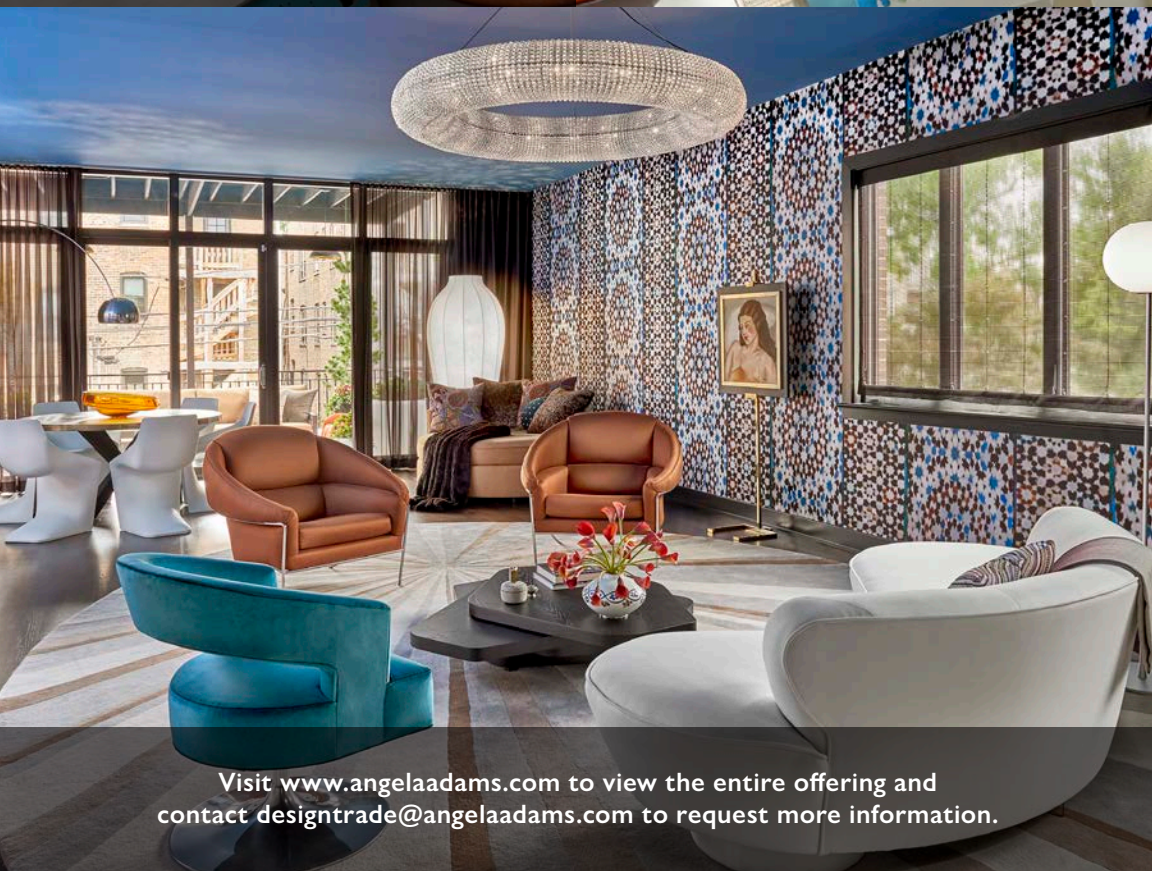

DESIGN SUPPORT

Merging function and inspiration, we use our years of experience to provide one-on-one personalized experiences with designers to create organic, unique narratives for a diverse array of clients and needs. We provide key support to the trade including:

- Custom design services
- Presentation materials and renderings
- Rug and furniture finish samples
- Project based estimates
